CAPITOL connection A Long Term Care Update from AHCA/NCAL

Stay Current on Resident and Staff COVID-19 Vaccinations

As cases of COVID-19 continue to rise throughout the country, it's important that long term care facilities and communities encourage staff and residents to stay up to date on their vaccination status. The CDC defines *up to date* as having received all doses in the primary series and all boosters recommended, when eligible. Most recently, people over 50 are recommended to receive a second booster of either the Pfizer-BioNTech or Moderna COVID-19 vaccine at least four months after their first booster.
