

CDC and FDA Pause Johnson and Johnson COVID-19 Vaccine

This week, the CDC and FDA [announced a pause](#) to the Johnson and Johnson (J&J) COVID-19 vaccine after six cases of a rare type of blood clot had developed in individuals who received the vaccine. The CDC discovered these six cases through the Vaccine Adverse Events Reporting System (VAERS), showing the importance and effectiveness of these national surveillance systems and that COVID-19 vaccine safety is a top priority.

AHCA/NCAL COVID-19 Honors Program

The [AHCA/NCAL COVID-19 Honors Program](#) is offering several special items to recognize the heroic efforts of long term care staff during COVID-19. These include recessed bronze [lapel pins](#) for staff members who continued to provide care despite a COVID outbreak in their facility, and two unique bronze medals; a [survivor medal](#) for staff members who were diagnosed with and survived COVID and a [memorial medal](#) for those who lost their lives to COVID. Also available are flags, offered in [cotton](#) or [nylon](#), to be flown over the U.S. Capitol in remembrance of staff members who have passed away. All of these special items are offered at cost and ship for free.

Learn more and place your pre-order [here](#). Your order will be shipped in 3-4 weeks.

Once you place your order, you will receive a COVID-19 Honors Program Communications Packet with a ceremony guide, media templates, and template letters to staff.
