FOREWORD BY DAN G. BLAZER II, M.D., PH.D.

Nursing home administrators have a multitude of responsibilities in running a compliant and efficient facility. [The Comprehensive Manual for Nursing Home Administration, Third Edition](#), is a complete reference guide that provides the information, knowledge, and guidance administrators need to clearly define staff roles and responsibilities, reduce staff turnover, better understand MDS, PDPM, and SNF reimbursement, and comply with CMS regulations and Medicare reimbursement guidelines. Updated in January 2020.
