

AHCA/NCAL Highlights Nursing Home Quality Improvements During COVID-19 Pandemic

AHCA/NCAL released a new [report](#) with data reporting on the quality of care in nursing homes during the COVID-19 pandemic. These facts highlight the commitment of dedicated caregivers to raising the standard of care for the benefit of nursing home residents during an unprecedented public health crisis. This week's report follows [data issued earlier this month](#) by AHCA/NCAL highlighting quality improvements over the last decade.
