

REVENUE CYCLE MANAGEMENT ACADEMY

Securing Payment for Quality Patient Care

The American Health Care Association's Revenue Cycle Management Academy is an educational training to provide the information and tools necessary for all skilled nursing provider facilities to understand and implement systems that lead to high-functioning RCM teams.

RCM Academy offers 6.75 NAB CEs upon completion with bonus content and resources shared throughout 2022. Topics covered include:

- RCM Overview & Attributes of High-Performing Teams**
Taking an interdisciplinary approach to patient care from admission to discharge, care transitions, billing, coding, and compliance.
- Systems to Assure Proper & Timely Payment**
Securing prior authorizations, claims submissions and third-party follow-ups, managing MAC relationships and communications, re-determinations, and more.
- Differences & Best Practices Between Payor Sources**
Medicare, Medicaid, managed care, private pay, and dually eligible beneficiaries.

Pricing: \$350 for AHCA/NCAL members
\$650 for non-members
