

NYSHFA NYSCAL

RN NURSE EDUCATOR

DEC 28th

PROGRAM OVERVIEW:

Please join our expert instructors for this convenient, virtual Nurse Educator Program that satisfies the NYSDOH requirements for skilled nursing facility Nurse Educators!

This five-session program conducted in half-day sessions to allow flexibility of our participants will provide the opportunity to learn new skills, explore innovative adult learning strategies, and operationalize the skills and competencies that are needed to be an effective Nurse Educator in today's SNF setting.

- Participant's will be required to develop a curriculum for a training session and present their project on the final session
- All participants of the program will receive copies of the various training programs developed by their classmates to tailor and use within their own facilities for staff education
