We are excited to announce the start of our new monthly virtual **NYSCAL Coffee Chat!** This will be a great way for you to learn about important assisted living updates and connect and share ideas with other assisted living members from the comfort of your own office.

We'll meet every month for Assisted Living updates on legal matters, legislation, and education. We will have time in our coffee chat for members to discuss what's brewing! If you have something specific you'd like to discuss, please let us know ahead of time so we can make sure to give it the attention it deserves.
