

MASS CASUALTY IMPACT & RECOVERY

2023

Private Sector Preparedness Response and Recovery (PSPR2) is holding a monthly seminar series titled, "Mass Casualty Impact and Recovery," which examines how businesses can better prepare, respond and recover from active shooter and other mass casualty events.

Each 90-minute seminar will include subject matter experts from business and the government sharing critical infrastructure best practices, valuable lessons, and planning resources and tools to assist with mass casualty impact and recovery. This series is designed for companies and organizations interested in enhancing their knowledge and understanding of the impact and recovery of a mass casualty event. Courses are not cumulative and may be taken individually. Each course counts toward continuing education with CEU credits.
