## Building the Way to Advancement with Career Pathways

### Is Your Facility's Emergency Plan Up to Date?

EMERGENCY PREPAREDNESS PLAN  
*Long Term Care*

Disasters like hurricanes, forest fires, power outages, or infectious disease outbreaks can strike anytime. It is vital to be prepared for events that can potentially disrupt daily operations and adversely impact your residents and staff. [The Emergency Preparedness Program: Best Practice Guidebook for Long Term Care](#) offers a comprehensive facility and community-based approach to emergency preparedness, with a focus on best practices and compliance management. Learn more about how this downloadable resource can be tailored to meet your center's specific needs and place your order today.
