

## New Analysis Finds Federal Staffing Mandate Would Require 100,000 Additional Nurses and Nurses' Aides, Cost \$6.8 Billion Per Year

AHCA released an [analysis](#) today by professional services firm CLA, which analyzed the impact of President Biden's proposed federal staffing mandate on nursing homes. The proposed rule would require specific nursing home staff to spend a minimum number of hours with each resident – 2.45 nurse aide hours per resident per day and 0.55 registered nurse HPRD – as well as have a RN on site 24 hours a day.
