

Medical Matters 2023-2024

Sponsored by the Medical Society of the State of New York

The Next Pandemic: What Might it Be?

Live Webinar

Tuesday December 12, 2023 @ 7:30am

Faculty: William Valenti, MD

Educational Objectives:

- Categorize types of threats that could manifest as the next pandemic
- Outline the roles of public health, medicine and science in preparing for the next pandemic
- Identify the role of the physician in early detection of potential pandemic conditions
